## Installation instructions

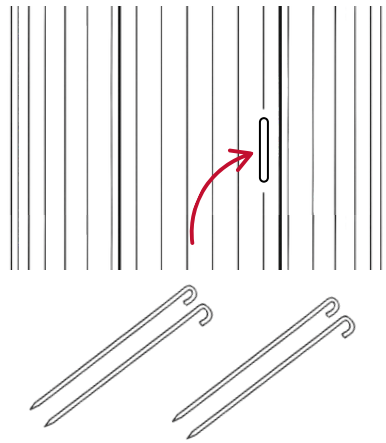

1

**Déplier la structure et enrouler là autour de l'embase.**

Unfold the structure on each side by pulling on the ends.

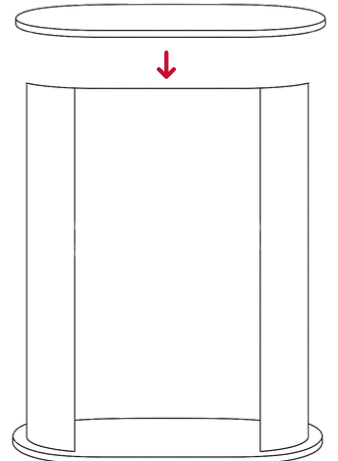

2

**Placer les sardines dans les 4 encoches à chaque extrémité, de votre visuel.**

Your structure should look like this.

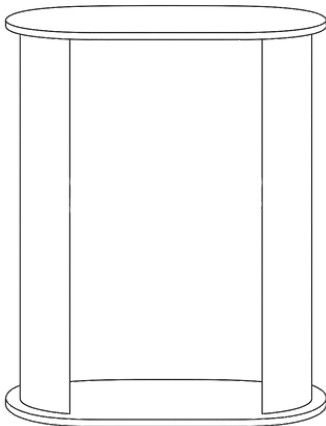

3

**Déplier légèrement votre visuel afin d'ajouter le plateau sur la partie haute.**

Clip the black clips onto each corner.

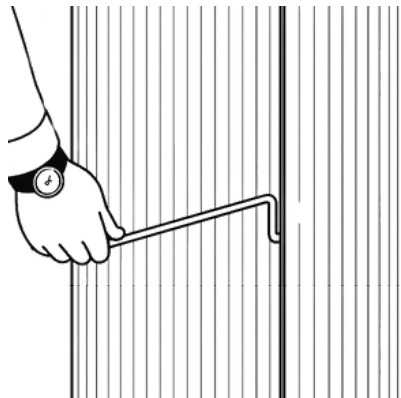

4

**Voilà le résultat de la structure, vue de l'arrière.**

Secure the structure by inserting the crossbar over the screw.

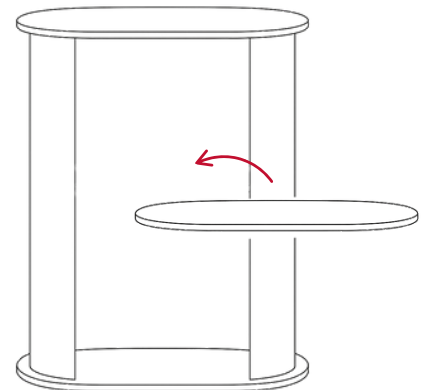

5

**Insérer le jeu de sardines à chaque extrémités afin de relier chaque côté entre eux.**

Attach your visual to the structure's Velcro fastener.

6

**Ajouter votre étagère sur les sardines.**

Position your board on top of the structure, using the Velcro fastener.
